Most of All...

Have fun!!! We appreciate all of you for making this year's tournament benefitting the United Way so successful. Thank you!

**Thank you to all of our 2010
golf tournament sponsors!**

Rules of Play

Each player will tee off, and the team will select the best drive to play from. All players will continue play from within one club length of this drive without improving the lay. This pattern is repeated until the ball is in the hole. Should the best shot lie on the putting green, play must proceed from **3 inches** of this location. Remember to record the score on your card.

Tee Boxes

- Women will play their entire round from the red tees.
- All men will tee off from the white tees to start the tournament.
- **Hole-in-one contest is played from the black tee boxes.**
- **All other contest holes are played from the white tee boxes.**

Licorice Ropes

Each foursome may purchase one rope for \$10, which can be used to make up the distance between the golf ball and the cup without counting an additional stroke. Tear off the length of licorice used until it is all used up. Be sure to use it wisely - once it's gone, it's gone! And no, you cannot use the wrapper as part of the rope!

Mulligans

Mulligans may be purchased at registration - 1 for \$5 or 5 for \$20, maximum of 10 per team. Each mulligan is per person, and for one use only.

Hole in One contest will start from the black tee boxes. All other contest holes are played from the white tee boxes. Individual players may only win one contest hole. In the event of duplicate winners, the next name on the list will win - starting with the closest to the pin.
